Legacy Statement

Fanny Allen Holdings continues the ministry of the Religious Hospitallers of Saint Joseph by stewarding resources to support activities that reflect the compassion of Christ in service to people who are sick and poor in body, mind and spirit.

In 2019, the Fanny Allen Corporation contributed \$289,126 in grants and sponsorships to support non-profit organizations in Vermont that reflect the compassion of Christ in their service to people who are sick and poor.

We partner with other agencies and organizations that share our mission to serve the most vulnerable people among us and promote our values, thereby improving the quality of life and health of our communities.
